MINISTRY OF DEFENCE

POLICE

There have been some recent incidents of bike thefts from the married quarters, some points to consider:

- Secure your bike correctly when not in use, buy a good quality lock such as a ‘D’ type shackle lock and ensure the cycle is fixed by this method to an immovable object, post, metal down pipe or similar.
- When you go away do not leave it unattended in the back garden.
- Most bike thefts occur at night when bikes are left unsecured either in full view at the front of the house or back garden.
- Consider having your bicycle marked with a UV marker pens or registered with SBD Secured by Design synthetic DNA marking companies.

Report any suspicious sightings of people or vehicles immediately via the 101 number and in case of urgent calls to report a crime being committed then dial 999 DO NOT call RMP or UWO as this method will slow down the appropriate police response.

The Pirbright Welfare Office has some personal safety alarms please call in if you would like to purchase one at a reduced price.

### Chill ‘n’ Chat

DON'T BE LONELY! Both Deepcut and Pirbright provide social get togethers for the wives and partners of the communities.

For more information check out the timetables on the back page of this newsletter, or contact [DPSnewswire@gmail.com](mailto:DPSnewswire@gmail.com).

### Changes to the SFA Complaints Process

The process has changed if you need to make a complaint to DIO Operations Accommodation (Ops Accn). In order to improve customer service, First Stage complaints against DIO Ops Accn staff or services (including Move In complaints) should now be sent to the DIO Ops Accn Customer Service team at RAF Wyton. In the first instance, you should write to:

**Customer Service Assistant (Stage 1 Complaints), DIO Operations Accommodation, Ground Floor, Swales Pavilion, RAF Wyton, Cambridgeshire PE28 2EA;**

or email them at: [diopsaccn-housingcomplaints@mod.uk](mailto:diopsaccn-housingcomplaints@mod.uk)

using the new SFA Customer Complaint Template (which is available on the MOD Website – please see link below). The Stage 1 team will record your complaint and ask a relevant DIO person or group of people to respond.

First Stage complaints about contractors, maintenance staff, or services will continue to be handled by the relevant maintenance provider.

Details of the new complaints process can be found on the MOD website at:

<http://www.mod.uk/DefenceInternet/MicroSite/DIO/WhatWeDo/Accommodation/SfaComplaints.htm>

### Any ‘Green Fingers’ in Deepcut?

We are looking for volunteers to come along, to help set up and maintain a garden at the Community Centre. The aim is to be ready for spring 2013 with a purpose of injecting some colour into the Village with the added bonus of having a lovely hub to work our magic from. We have great blank canvas to work with at the moment.

Please contact [DPSnewswire@gmail.com](mailto:DPSnewswire@gmail.com) to show interest.

### Armed Forces Discount Scheme

Members of the Armed Forces, veterans and their families will get shop discounts as part of a new service.

Companies including Vodafone, KFC, Vision Express, Austin Reed and Vue Cinemas have agreed to offer discounts for personnel and their families as part of the new Defence Discount Service (DDS). The Defence Discount Service is open to members of the Armed Forces community including: Serving and Reserve personnel, Armed Forces veterans, spouses/partners of Service personnel and bereaved spouses/partners. It is also open to MOD civil servants, members of the cadet forces and NATO personnel serving in UK-based posts.

The DDS has launched a website offering online discounts from High Street companies, a DDS Facebook page and Twitter feed.
